## EPISODE #: OA-MH-LC0211 MUSKY HUNTER TV Metro Movements

As the musky range has been expanded with stocking near metropolitan areas, some great musky fishing opportunities have developed close to many musky anglers. However, with increased fishing and boating pressure, consistency requires fishing at odd hours; a thorough knowledge of spots; and, the ability to modify lures to adapt to the conditions. Jim Saric, pro guide Ryan McMahan and musky hunter field editor Bob Turgeon fish the Minneapolis metro area in search of pressured-water muskies
