Feed Date	Episode #	Synopsis
01.06.21	#B-102	Our host introduces us to Russell; he's a small-town boy about to make the pitch of a lifetime to one of the world's most famous toy stores. Will they like his 2 water toys, or will his pitch go down the drain? We also meet Nicholas, a pro at the pitch as he demonstrates with one of his numerous inventions. While our host gives us do-it-at-home tips on basic brainstorming supplies as he tries to design his own water toy.
01.13.21	#B-103	Our host introduces us to Marissa; no need to carry a bike lock all the time or leave a stroller unlocked outside, she's invented an all-in-one rack and lock system powered by the sun. She hits the mall to see what other kids think. We also meet Calder and his solar powered toy car. While we follow our host as he attempts to invent cool gadgets for his own ride.
01.20.21	#B-104	Our host introduces us to Sean; he's invented a sound meter that's in use in his school's music classes. With some modifications, could he branch out beyond his classmates? We also meet a school entrepreneurs' club; making beauty products and donating the profits turns learning business into fun. While we follow our host as he as invents his own musical instrument.
01.27.21	#B-105	Our host introduces us to Joel; he's invented talking buttons for your shoes to tell you right from left. He's already selling his product to parents via the internet, but can he branch out farther? We also meet Samantha, a seasoned pro at internet sales – in fact business is so good her Dad works for her. While our host gives us do-it-at-home tips on making your own wearable inventions.
