Feed Date	Episode #	Description
10.07.20	#BK-128	<p>Money Math – Who Needs It? Math is a true building block in the business of your life. Whether you are calculating the tip on the restaurant bill, making change at your lemonade stand, or figuring out how to quickly grow your savings, it’s all about the math in money. Visit with a handbag designer, and students turning their school green....all who know their money math.</p>
10.14.20	#BK-129	<p>Building Your Business Online In today’s world, great tools are available for you to build a business online. The Biz Kids investigate the advantages and potential pitfalls in Internet businesses. Hear about the success of a young graphic designer, a nine-year-old who sells bath salts, and two teens who built a social networking site....all who built their businesses online.</p>
10.21.20	#BK-130	<p>Financial Institutions – All The Same? You can have a savings account in one place, a checking account in another, and you can even bank online. Learn about the services offered by different institutions, including investment houses, stock exchanges, payday loan companies, and more. Visit New York City to see how fashion and finance mix, and meet a teen hospital guild who raise money for cancer research.</p>
10.28.20	#BK-131	<p>How Credit Affects Your Life Did you know your credit score could impact whether or not you get into college, get a job, or even rent an apartment? Join the Biz Kids, and you’ll learn about building good credit and how the credit laws affect your life. Meet a teen who built her vending machine business on good credit, and a club promoter who explains what happened due to bad credit.</p>
